If "Yes," please state the date(s) of the charge(s) and final dispositions(s): _____

Background checks: As required by state law, we conduct a background check before we hire or rehire a person.

- We complete a criminal offender record information (usually referred to by its acronym, CORI) check;
- We access confidential Department of Children and Families (DCF) information regarding whether applicants have been identified by DCF in a supported 51B report as the person responsible for the abuse or neglect of a child.

We may also conduct an out-of-state criminal records check. Employment is conditional upon the results of the CORI and DCF background checks.

Though protecting the people we serve must be our foremost consideration, we will fairly treat people with criminal records or adverse DCF results in our hiring procedures. Unless state regulations require disqualification, we reserve the right to make our own determination regarding a person's suitability for agency employment.

Employment of minors: NorthStar Learning Centers is subject to certain child labor provisions regarding the employment of persons under the age of 18. An Employment Permit or Educational Certificate may be required, depending on your age.

Pre-employment medical information: Offers of employment for certain kinds of jobs are conditional upon a satisfactory physical examination and/or pre-employment drug test.

Lie detector tests: State law prohibits employers from requiring or administering a lie detector test as a condition of employment or continued employment.

Authorization to work: All persons hired must submit proof of their eligibility to work. Failure to submit such proof will result in denial of employment.

References and record verification: All information provided by the applicant during the hiring process is subject to verification by NorthStar Learning Centers. We will take whatever steps we deem necessary to contact current and previous employers, individuals listed as references, other individuals, schools and/or licensing authorities to provide information and/or to verify or clarify information provided.

Acceptance of application: This application is not a contract of employment. Acceptance of this application by NorthStar Learning Centers does not imply that the applicant will be employed. The hiring process is not complete until all required documents and verifications have been completed and received. Any offer of employment is contingent upon completion of the hiring process.
